SKILLS

Teaching Skills

Smart Classroom Teaching
Technical Mentorship
Curriculum Development
Lab Management

Cyber Skills

Ethical Hacking
Vulnerability Assessment
Kali Linux / Shell Scripting
Penetration Testing

Software Skills

Flutter & Dart
Python (Flask/Automation)
C++ (OOPs)
Secure API Integration

Hardware Skills

Raspberry Pi / IoT
ESP32 / NodeMCU
Computer Assembly
Network Hardware

CERTIFICATIONS

- Cybersecurity & Ethical Hacking
- Flutter App Development
- Python Programming
- Cyber Bullying Awareness

MAULIN PATEL

Software Developer • Educator • Security Analyst

Versatile technology professional bridging the gap between **Software Engineering** and **Cybersecurity**. Expert in building secure mobile applications using **Flutter** and developing custom Linux environments. Proven track record as a **Technical Trainer**, mentoring university students in secure coding practices, Python automation, and ethical hacking methodologies.

EXPERIENCE

Technical Skill Trainer
Jun 2025 – Present
Sankalchand Patel Center of Excellence (SPU)

- **Security & Dev Education:** Designed curriculum for "Secure Software Development," teaching students to identify vulnerabilities in Python and Dart code.
- **Mobile Mentorship:** Guided 50+ students in building full-stack Flutter applications, ensuring implementation of secure authentication.
- **Lab Management:** Conducted hands-on workshops on **Kali Linux**, network packet analysis (Wireshark), and IoT security.

PROJECTS

Sosent OS (Custom Security Distro)
Designed a custom Linux operating system based on Ubuntu/Kali aimed at lightweight security testing.

Linux Kernel | Bash Scripting | OS Customization

Secure Student Portal App
A cross-platform app for university management with role-based access control and encrypted database.

Flutter | Dart | Firebase Auth

EDUCATION

Master of Computer Applications (MCA)
2025
Sankalchand Patel University | 85.4%

Bachelor of Computer Applications (BCA)
2023
HNGU University | 89%

HSC (12th Commerce) - GSEB
Mar 2020
N.&.K.PANDYA HIMAT HIGH SCHOOL NO-2
54.4%

SSC (10th) - GSEB
Mar 2018
N.&.K.PANDYA HIMAT HIGH SCHOOL NO-2
Percentile: 52%

ACHIEVEMENTS

- **Excellence in IoT Development** Award at SPU University.
- Recognized for conducting **Cybersecurity Awareness Seminars**.
